

Alexandria Gazette.

WEDNESDAY, NOV. 11, 1904.

Local Matters.

Sun rises tomorrow at 6:38 and sets 4:49. High water at 10:57 a. m. and 11:14 p. m.

WEATHER PROBABILITIES.—For this section fair and colder tonight and Saturday; fresh west to northwest winds.

Robberies Last Night.

At ten minutes to two o'clock this morning Officers Bettis and Mayhugh discovered that one of the show windows of K. M. Mann Brothers' store on the south side of King street, near Royal, had been broken (evidently with a cobblestone) and certain articles stolen therefrom. Upon investigation it was found that five pairs of pantaloons had been abstracted from the window. There is no clue to the thieves. It is supposed that the act was committed when the last electric train from Washington was passing, the roar of which drowned the noise incident to the smashing of the glass.

A cookshop on the corner of Gibson and St. Asaph streets, conducted by a colored man, was entered last night and robbed of half a ham, some fried fish and other eatables.

About the time the above acts were being committed a negro was found in Mr. Daniel Henry's saloon, southeast corner of Princess and Fairfax streets. Upon being discovered the intruder ran and in making his exit collided with and demolished a screen.

River Notes.

It is reported that the owners of the steamer Kent, now laid up at this port, will not relegate the boat to the junk pile, but will put a new boiler in the steamer and return her to service on the river, as an extra freight boat.

The outer buoy marking the entrance to Currier's bay has been missing, it is stated, for several weeks. The United States lighthouse authorities will be requested to restore the buoy as soon as possible.

A three-masted schooner from Severa river, loaded with sand for the Virginia Glass Works, is lying in the stream.

The schooner Lula M. Quillin is loading at Sand Bank, in the Severa river, for the glass works at Alexandria.

The schooner Mary N. Shay, loaded with lumber by Smoot & Co. for Aquia creek, has sailed.

Red Men.

Oacola Tribe, No. 1, adjourned their regular meeting at the wigwam last night and assembled in social session at F. Schwab's restaurant, where they found handsomely decorated rooms and well appointed tables laden with seasonable edibles and viands suited for a gastronomic feast, the promotion of merry making and short talks. Sachem John Shumam, president, and Professor Mason Hammon's Mandolin Club rendered a number of choice selections of music, adding much to the enjoyment of the evening. A feature of the occasion was an interesting raffle of a silk patchwork quilt for the benefit of the widows and orphans fund. Twenty-five dollars were realized, the lucky winner being Mr. John Abendshein. The quilt raffle is the same one that was won by Oacola Tribe in a voting contest held at Berkeley last year.

Auction Sales Tomorrow.
Mr. S. H. Lunt, auctioneer, will offer for sale at 10 o'clock tomorrow morning on the premises, corner of Princess and Payne streets, certain personal property belonging to the estate of George W. Jones, bankrupt. In the assortment are two dump carts, a spring wagon, a set car harness, a set single wagon harness, an eight-horse power engine and upright boiler, together with many miscellaneous articles used in a store.

Capt. R. F. Knox, auctioneer, will offer for sale at the Royal street entrance to the City Hall at noon tomorrow, a lot of ground with the buildings and improvements thereon known as No. 114 South Patrick street.

Beanshooters and Toy Guns.
The boy with the beanshooter is again causing annoyance in different parts of the city. In the western section yesterday six panes of glass were broken in one residence. Numbers of people are also complaining of the acts of some youngsters who carry dangerous playthings in the shape of cat rifles and toy guns and who use them on English sparrows. The youngsters discharge the guns in a careless manner, and cause considerable apprehension. The laws of the city are clear against such procedures, and many wonder why they are not enforced by the police.

The New Highway Bridge.
The erection of the iron work of the new highway bridge over the Potomac is progressing rapidly. Two spans of the iron work of the bridge are practically completed at the Washington end of the bridge. At the Virginia end of the new bridge only one span has been completed, and the work has been brought to a stop there until the work on the piers. The stone masons are pushing the work on the piers. The progress made on the highway bridge is much more rapid than was the work when the new railway bridge was building.

Divorce.
An absolute divorce was yesterday granted in Baltimore to Mrs. Cora E. Boyd from Edwin Boyd on the ground of unfaithfulness. They were married April 7, 1902, in Alexandria, coming here from Baltimore for that purpose. They separated the same day, both going to their own homes and intending, it was testified, to live together later. They never did live together thereafter, and Boyd, as also testified, became intimate with other women, giving Mrs. Boyd ground for divorce.

Thousands Cured.
DeWitt's Witch Hazel Salve has cured thousands of cases of piles. "I bought a box of DeWitt's Witch Hazel Salve on the recommendation of our druggist," says C. H. LaCroix, of Zavalva, Tex., "and used it for a stubborn case of Piles. It cured me permanently." Sold by all druggists.

A Startling Test.
To save a life, Dr. T. G. Merritt, of No. McWhorter, Pa., made a startling test, resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at E. S. Leadbeater & Sons.

Only Makes a Bad Matter Worse.
Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effects, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by Gibson & Timberman and W. F. Creighton & Co., druggists.
